Scott Lloyd of Lloyd Commercial Advisors Represents Clean the World® in the Relocation of Their World Headquarters

Orlando, FL – February 23, 2017

Scott Lloyd CCIM, RPA, Principal at **Lloyd Commercial Advisors, LLC**, recently represented **Clean the World®** in the relocation of their Downtown Orlando executive offices and recycling center. The new 19,068 square foot office, light manufacturing and warehouse space will allow Clean the World to consolidate its operations into a new world headquarters.

Clean the World's new headquarters will be located near Orlando International Airport at 2544 E. Landstreet Rd. Improvements are planned to allow Clean the World® to increase their capacity in the collecting and recycling of discarded soap and hygiene products.

“We are proud to have worked with Shawn Seipler, CEO of Clean the World from the very beginning of their mission,” commented Lloyd. “Who hasn’t wondered how to best utilize the leftover soap in hotels? Over the years and through sheer determination, Shawn has forged this brilliant solution. It is inspiring to see the energy and passion Shawn’s group brings to this unique recycling program and it is a joy to know they are saving lives around the world.”
